On July 25th at 7:00 am, a memorial service was held for Sergeant Chris Doles, who was tragically killed in a single vehicle accident on July 25, 2013. The service was held at the Lakeway Justice Center Parking Lot in front of the memorial wall where a new plaque was dedicated with Sergeant Doles' photo.

From left to right Chief Radford, Sgt. Doles' granddaughter - Evi, daughter - Jordan Miller, Sgt. Doles' widow - Kristin Doles, and Captain Ken Farr.

Staffing

The Police Department civilian employees are at full strength.

The department has 2 sworn vacancies. An employment offer letter has extended for one of these vacancies; final result will be reported in August.

During the month of July, Officer Casey McGrew received his Intermediate Peace Officer Certification.

In July, Detectives were assigned 33 new cases. In the month of July, 26 cases were closed through investigation, leaving 106 **active cases** carrying into June.

Training

Twenty-eight officers completed 320 hours of training, courses ranging from topics such as: Arrest, Search, and Seizure; Firearms Instructor; Interview and Interrogation; New Supervisor Course; and Police Media Training.

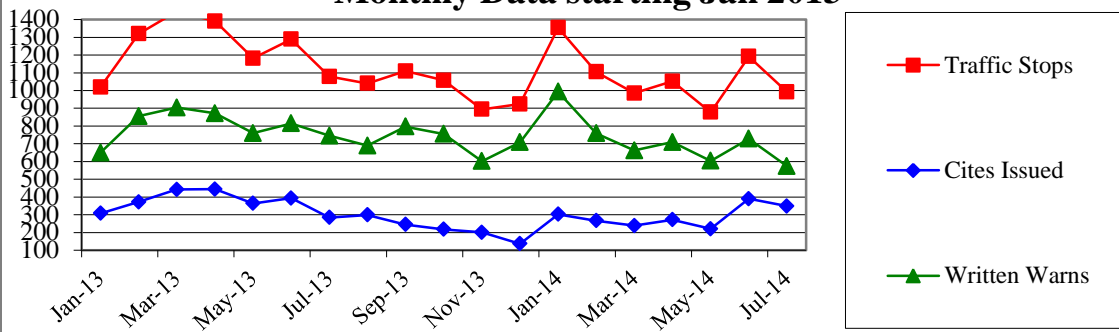

Statistical Highlights

July's **Crime Index** was 16. Last month the Crime Index was 23, and last July, 15. During July, 52 **Arrests** were made including field citation release, physical arrests, and warrant arrests. Fifteen **Traffic Collisions** in July decreased from June's 24. In July, our Officers made 992 traffic stops, issuing 349 citations (35.2%) resulting in 490 violations, and 574 warnings (57.9) resulting in 785 warning violations. The balance of the stops was classified as "Other." In July, we responded to 1,575 **calls for service**, resulting in 200 **reports** written. Compared to June, we responded to 1,845 **calls for service**, resulting in 258 **reports** written. In July, the Communication Center logged 2,265 total calls for service which decreased from last month's total of 2,567. Incoming phone calls in July totaled 5,024 with 4,389 being on admin lines and 635 coming in on 911.

The following three charts illustrate historical monthly data, beginning January 1, 2013.

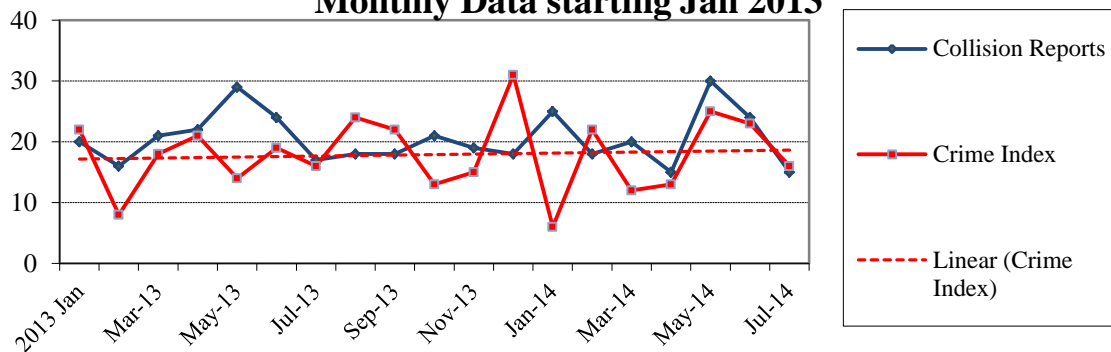

Traffic Stops

Monthly Data starting Jan 2013

Crime and Collisions

Monthly Data starting Jan 2013

Calls and Reports

Monthly Data starting Jan 2013

For charting convenience, Calls for Service are charted at a 10% value. Actual Calls for Service were ten times greater than shown on the graph.
